

Suggested Art or Beautification Project

Is there a specific location that would benefit from an arts or beautification project

yes, area surrounding 330 long road, trees, replace erosion of our property yards. address flooding issues, this used to be a beautiful, friendly neighborhood with lovely yards and trees everywhere
A better theatre
A location where we can view and relax by the Allegheny river.
A mural in a high traffic/high visibility area
A small allowance each year towards planting x amount of trees in every neighborhood.
Absolutely! I'd love to see more green space/gardens in places ilke the old Municipal building, old library near Linton, and unused parking at the PH Shopping Center
All
All areas
All areas. Require grass to be cut. get rid of unoccupied homes/strengthen Code department
All current businesses should have manicured landscapes and parking lots. It promotes higher community standards. For example Northwood Realty on Frankstown Road is a serious offender with the property looking like a ghetto.Penn Hills Township needs to raise their standards for commercial properties period.
All entrances to Penn Hills
All neighborhoods
All of it needs more
All of Penn Hills
All of Penn Hills east of Beulah/Coal Hollow could use a beautification project
ALL of Penn Hills would benefit from a beautification project. ESPECIALLY Rodi Road. It is not the least bit appealing as the main entrance to Penn Hills.
All of Penn Hills. It is looking like a ghetto.
All of PH needs to work on littering
All of Rodi Rd
All of Rodi Road, really. The entry area from the Parkway looks very nice now. The big vacant areas and not as nice businesses on Rodi make the area look lower quality.
All of Rodi road. Frankstown rd should have sidewalks & more lights going both ways from the high school for at least 1/4 mile
all of zpeen Hills could benefit from more trees
All over
All over the place.
Allegheny River bld
Allegheny River Blvd
Allegheny River Blvd at the pull offs.
Allegheny River Blvd the entire length
Allegheny river blvd. beautification. Try to attract new businesses to build there
Allegheny River Boulevard
Allegheny River Boulevard
Always; but, regrettably, I haven't yet lived here long enough to be able to identify them.
Any and all parts of Penn Hills! Murals, art and beautification projects are popular, can celebrate aspects of the community and people, add beauty, and create a sense of place.
Any of the parks maybe
Any place there is an abandoned, empty building, or funky old strip mall - we have several tiny BS strip lots!!!!
Anything along Rodi/Parkway corridor; Frankstown Road
Anywhere
Anywhere along Rodi (so ugly)
ANYWHERE and EVERYWHERE! Especially entering Penn Hills from Rt. 22 or the Parkway. There's an abandoned gas station immediately, nasty looking businesses and a 100 year old Penn Hills sign that's old and looks dirty.
Anywhere on Rodi
Anywhere on the Frankstown side of Penn Hills
Anywhere Town- Wide
Anywhere!
ARB needs to be cleaned up
At the exit at the parkway. Organizations are already starting to clear the land and plant trees & greenery. A veterans or first responder memorial would be appropriate & could be easily decorated in accordance w/the seasons (flags, annuals, wreaths, etc.).
Basket ball court for teens
Beautification all over
Beautification all over by eliminating litter, garbage, dumping
beautification everywhere

Is there a specific location that would benefit from an arts or beautification project

Beulah and Frankstown
BOB program has done some wonderful spots.
Build the Amphitheater at the PH Library and the walkway to Linton School for parking needs
Chestnut Plaza on Saltsburg Road (by Linton) and two small strip centers (across from Arby's and also Bubble Room Laundry strip center).
Chestnut Plaza revitalization; community center at old police station; another YMCA
Churchill Greenway
Churchill Valley area north of Long Road needs a playground, and small park with trees
Clean debris first
Clean up of properties surrounding Mike's market.
Cleaner streets
Cleaning up dilapidated structures and addressing overgrown lawns (or converting to pollinator friendly spaces) is more important to me than "beautification."
Collins Drive needs to be paved and more welcoming to visitors to the high school.
Coming off of Rodi Road into Penn Hill
Continue Rodi tree/garden projects, extend to other main routes. More sidewalks.
continue with Rodi road,
Continued improvement of roads and parking lots
Corner of Coal Hollow, Sandy Creek and Verona Rds. Hanging plants would be nice somewhere, but there's nothing to hang them on so they wouldn't be taken or destroyed.
Corner of Saltsburg Rd and Verona Rd St
Crawford Center. Fill vacancies, acknowledge Lost and Found as one of THE best gathering places and a community
Crescent Hills Park
Definitely in need of a COMMUNITY Center possibly where the old Police Station is located
Del Plaza and the adjacent building (where Profiles used to be) on Saltsburg Road would be better off torn down and turned into public space (only if a safe crosswalk is also installed!). The view behind the building is incredible, but no one ever gets to see it. A public space there would increase business for Stockleins, Bird on the Run, and the restaurant moving in to the old flower shop. Penn Hills Shopping Center is pretty horrendous, but I don't even know where you would begin to improve that place.
Don't know
Don't no try not to go out because of safety issues
East hills
East hills

Entrances to Penn Hills. ei. Allegheny River Blvd.
every location
Every place can always use Arts & Beautification.
Everywhere
Everywhere and anywhere! Community arts and murals!
Everywhere in Penn Hills
Everywhere!!!!
Everywhere, cleaning up the trash.
Fix up the Allegheny River access
Fix up the town for Christmas. The rinky dink lights at the municipal building are embarrassing and sometimes they're half-working and sometimes they're not on at all. Who can even see them on Duff Road unless you're actively seeking them out? Do something with Frankstown and Rodi - lights, wreaths, decorations.
Flowers in different developments
Flowers, but not sure where
Former Municipal Building
Forward Center Plaza, it is currently an eye sore on Frankstown rd.
Forward plaza looks awful!
Frankstown & Rodi Roads
Frankstown and Rodi Roads and the businesses located on those roads
Frankstown Rd corridor
Frankstown Road & the shopping center
Frankstown Road by the Eat N Park. Trees or flowers and general cleaning and freshening up.
Frankstown Road near the old rundown police station the road is wide
Frankstown road needs the whole thing paved and litter is terrible
Frankstown Road Shopping Center

Garbage cleaned at corner of Blackadore and Robinia. No parking enforcement at corner.
Get rid of old Municipal Building
Gosh just about anywhere
Graham Blvd & Frankstown Rd intersection.
Greenway
Haha
Hair salon
Hershey Road
How about paving poor roads, clean up trash, clean storm sewers, and cut weeds and brush along the roads. In the winter plow and salt quickly and efficiently!
I absolutely love what the Penn Hills Shade Commission has been doing and think that the flowers at the intersection of Frankstown/Coal Hollow are beautiful In favor of more of this in all places. It'd also be cool to tap a local artist to do some sort of art project somewhere, like a mural etc.
I believe our entire community needs this and I'm willing to help.
I can't think of a specific location, but maybe all of those parks could use creative signs.
I like that they're updating Rodi Road...the first impression of Penn Hills.
I really can't say.
I think we need to worry less about art and beautification and worry more about crime.
I would say the Penn Hills Shopping Center seems pretty run down.
I'm sure there are just not sure where
I'm sure there are many! Penn Hills Plaza is a disaster. I really wish Universal Road by the charter school could be developed in some manner. I look at Allegheny River Blvd in Verona and truly, we need something like this.
Improve ph shopping center for more options
Intersections, clean roads free from garbage
It would be nice to see more murals around, and more people taking pride in their homes but specifically the intersection of Frankstown and Saltsburg could use an improvement.
Keep roads maintained
Laketon Heights. Anything would help besides the massive amount of litter and blighted properties
Landlords need to be made to keep their property up a a minimum standard. Otherwise you're just putting lipstick on a pig.
Leechburg rd at railroad yard
Leechburg Road across from N. Bessemer Fire Company
Less litter through out PH
Lincoln Park
Lincoln Park - Penn Hills
Lincoln Park area has a serious litter issue.
Lincoln Park. litter pickup, house demolitions, vacant lot weed and tree reduction
Lincoln Road
Litter clean-up on Universal road.
Litter pick-up everywhere and planting /cleanup of areas where people enter Penn Hills
Live performances in the old movie theater
llegheny river blvd
Long road trash/littering and rose wood. the sewage treatment plan on long could use hiding or sprucing up! The plaza across from Doms auto repair on long looks horrible. Would love a butcher shop or specialty foods spot there. A small restaurant would be great!
Long Vue Manor/Lincoln Park vacant lots
Longvue Heights and ritzland shopping center
Lots of roads could use trees, e.g. Sandy Creek Road.
Lower Frankstown...near old Swanson's Pharm. (BonAir)
Main street
Main Street-Universal Road and Rodi Road
Many areas. Allegheny river Blvd is cleaned up and looks good
Many of the main roads have overgrown weeds, ex. Thompson Run Rd. Old Wm. Penn Hwy.I wish some tax money could be used to take care of our municipal roads.
Many places, I do not like seeing vacant businesses unkept over long periods of time.
Many roadsides are littered with trash and fallen trees.
Many, but Rodi Road areas come to mind
Mid section of RODI ROAD.
Milltown road rail bridge (mural/mosaic),
Money needs to be spent on infrastructure FIRST
More art near the library and the entrance to Linton
More fishing areas in Penn Hills
More sidewalks.
More street and lot cleaning
More trees and gardens and flowers
Most all of Penn Hills could benefit from regular litter pick-ups. In addition, I realize code enforcement is busy but there are numerous homes with grass at least 3 feet tall. Hire summer grass cutters and then make people who own those properties pay to reimburse the grass cutting fees. People who don't care for their properties drop down the value of their neighbors' homes.

Is there a specific location that would benefit from an arts or beautification project

Most concerned about infrastructure projects like the parking lot collapse or apartment building fire that displaced so many families. Penn Hills shopping center can use an update. Paint? A mural? Flowers & trees? Maybe bike racks or garbage cans with PH logo or theme? There tends to be a lot of litter along main roads in PH.
Most of penn hills needs this
Most places. No center, everything feels very rural and back of the woods
Mt Carmel area all vacan
Mural somewhere
Murals are always great to see, Art/Graffiti
Murals downtown area
Murals, Universal area, Rodi Rd and Frankstown Rd,
Murals,Gardens for groups
My neighbors yard is in very poor condition
My yard by getting rid of bamboo growing out of control behind my fence
Na
Nadine Road/Lincoln Road and Verona Road; all very high traffic areas daily
Near petra
need overall litter cleanup and store front updating
Neighborhood project
None
NORTH BESSEMER
Not sure
Not sure of a specific location but sure
Not sure where but a bigger community garden would be nice
Not sure where you might create an attractive "town square" or central gathering place. Maybe not possible with our geography.... Maybe we already have it in Verona, the greenway, cemeteries and parks? Good questions. Ritzland plaza area?, instead of putting buildings and parking lots on all the corners of Frankstown/beulah intersection..... ? I think we're trying with the garden spot there and on Allegheny river Blvd.
Not sure, but roadways need improvement regarding vegetation along roads
Not sure.
Nothing
Old Library - Beautification project
Old municipal bldg. frankstown rd
Old Municipal Building - Make it into a park, Lower Rodi entrance, Allegheny River Blvd.
old municiple building, Rodi Road, Dream Photo building, Since Rodi Rd is a main throughfare it's an embarrassment. Why would any business want to come here?
Old Pennhills police station
Old police station
Old Sandy Creek(Verona Rd at Coal Hollow Rd).
Painting of gazebo on Mt Carmel Rd..
Park or landscaped green space at the corner of Eastwood and Dollman where 3 housing structures were recently torn down
Parks, take a look at Monroeville Community Park. Clean, accessible, safe, Penn hills parks are not well maintained, Do not feel safe. Concerts in parks, art fairs. Theater, the one that was there had to shut down secondary to COVID.
Part of idaho road has houses that need fixed
Parts near the city line

Penn hills shopping center and it would better help bring in business
Penn hills shopping center could be a nice spot with some love.
Penn hills shopping center could definitely use some beautifying, more generally some kind of square or park stage for community events would be cool
Penn hills shopping center needs a facelift
Penn hills shopping center needs some help
Penn Hills Shopping Center on Rodi Road
Penn Hills shopping center on Rodi. It looks terrible. I remember taking my girls to get shoes, eat Chinese and go to a movie. I avoid the shopping area only going when I need to use the bank
Penn Hills Shopping Center! Over by Lincoln, and that area!
Penn Hills shopping center, better clean up of roads and sidewalks
Penn Hills Shopping Center. It is the epicenter of the community but looks tired and dated
Penn Hills shopping center. Perhaps a small park or seating area.
Penn Hills shopping center. Redo parking lots to make more sense and be easier to use. Landscaping. Update storefronts. Better stores.
Penn Hills Shopping Center/ Saltsburg Rd empty retail space
Penn Hills shopping could be modernized and I wish the theatre was still open.
Penn Plum VFW, beautification
Penn View Park Playground. Better play area, it's all broken and beat up.
PH Shopping Center but generally I think money could be better spent elsewhere
PHSC and other organizations are trying to do this
Pickleball courts open to PH residents. league and tournaments could get more to exercise.
Plant lots of trees along all the business corridors
Pretty much any where
R o d i road Frankstown Saltsburg Etc could all use beautification projects yes
Rebuild Lincoln park
Renovation and demolition
Ridiculous Road , Allegheny River Blvd.
Ritzland
Ritzland is pretty sad.
Ritzland Plaza area or the whole Frankstown Road corridor
Ritzland shopping center and Penn Hills shopping center
Ritzland Shopping Center, repave parking lot and renovate store fronts
Roadside lots across from Mt. Hope Cemetery since no one seems to want to develop why not a community "graffiti wall" designed by the school kids or charity or whatever theme just not sponsored. Nothing will make everyone happy but smiling instead of thinking about the alternative or at least just a pleasant eye design of ALL colors or pattern to make people relax the tiniest touch. I bet there's a study on it and google.
Rodi and Frankstown
Rodi and Frankstown roads. Trees, sidewalks, and plants

Rodi rd / Universal road
Rodi Rd in general is an eye sore
Rodi Rd is a mess . buusinesses should be required to maintain the landscaping on their property . weeds are everywhere !
Rodi Rd to have trees
Rodi Rd when entering Penn Hills, make it more attractive with foliage and a litter campaign for everywhere.

Rodi road could use a series facelift and small business incentivism
Rodi Road does not give anyone a sense of pride (recent paving looks great)
Rodi road our main road into Penn hills looks terrible.
Rodi road! It is full of litter, falling down empty businessesâ€¦.. sad
Rodi road, clean up garbage and weeds. As an entrance to PH it is disgraceful. All intersections in PH full of weeds and litter and political signs.
Rodi Road, Penn Hills Shopping Center
Rodi Road, Universal, mair roads
Rodi Road. Almost all the businesses need to improve their green space. Itâ€™s deteriorated through the years. I donâ€™t even want to drive down the road. Always garbage on the road at the end as you merge onto the parkway.
Rodi Road. Hanging baskets in the summer, welcome banners, Holiday decorations.
Rodi Road. Years ago we had trees and along there not all concrete. I avoid this road. I think its time for eminent domain.
Rodi Road. A start with the trees being planted but the main road businesses could use some upgrades.
Rodi Road/ Penn Hills Shopping Center
Rodi Road: Lots of rundown buildings, empty lots, etc. Coal Hollow/Sandy Creek: So dark and depressing in the middle and needs fewer vacant lots or something. A.R.B: Remove all the weeds and make it more scenic
Rodi Roadâ€¦â€¦

Shopping Center more greenery
Sidewalks, street sweeping
So many
some place on Rodi or Frankstown, maybe an art/mural project with the schools.
STOTLER AND UNIVERSAL
stowe, jefferson road
Subsidence across from McDonald's
Swanson's building looks like a ghetto and needs to be cleaned up
That is a good question that will take some thought.
The area around Frankstown road and McCutchen appears very rough. Businesses seem shady and many of the houses in disrepair. Beautification of buildings and landscape would help.
The area by fox's pizza
The auto shop where Hippos bar used to be is an eye sore the lighting on the property blinds drivers at night and they have begun using the abandoned lot next to Molynaux making it an eyesore too it already looks bad .
The bridges going over Beulah for the park
The church at the top of Jacob drive
The dog park needs running water.
The entire length of Rodi Road
The entire Penn Hills Shopping Center.
The entirety of Frankstown and Rodi Roads, especially Penn Hills Shopping Center, which is an ill-favored wasteland.
The former municipal building
The Frankstown/Lincoln/east hills area. Just a general clean up.
The Frankstown/Rodi intersection

Is there a specific location that would benefit from an arts or beautification project

The grass area at the Universal/Jefferson/Rodi area, which already has a sign and garden, but all political signs should be banned in this area (and preferably all rights of way in the township)
The Greenwaywe is an eyesore
The hillside across from Rodi road on Frankstown could use some cleaning up. Perhaps a nice rock garden or bushes. There is wood laying there.
The intersection of Robinson Blvd/Verona Rd & Frankstown Rd.VERY unattractive as a major gateway to the community. Address blighted properties at intersection & improve access and aesthetics of parking lot at Family Dollar shopping center.
The island at Rodi, Jefferson, universal roads & the old Mel Snitzer location
The old municipal building at Frankstown and Weedon
The old Municipal Center
The old Penn Hills Municipal building.
The old police station
The old Police Station
The old Police Station
The old Police Station
The open area across from Community Market, next to tha dollar store would be a good location for a beautification project/ small park.
The path behind the police station
The Penn Hills Shopping Center needs SOMETHING--it's not very aesthetically pleasing
The Penn Hills Shopping Center should be a hub...attract the arts...think fettermans and Braddock. It should be clean with signage
The Penn Hills Shopping Center. Trees and landscaping
The Penn Hills Shopping Center. Rodi Road - the whole thing.
The Penn Hills Shopping Center. This is the heart of our community where Rodi and Frankstown meet. If beautified and made more accessible it can become a great space. Some of the parking may also be turned into green land to further beautify the area.
The PH shopping center could use a big facelift. I would like to see a more uniform look to all the shops, as well as some landscaping additions, like planters for seasonal flowers. Additionally, signage to identify the shopping center - I don't think there is a sign that says Penn Hills Shopping Center.
The PH's Plaza, plant more trees around the shopping area
The property of the old Police Station, Linton School area
The ritzland shopping center. Mill town could use a facelift. Rodi road coordinator could look nicer.
The Saltsburg/Hulton Road area. From the 7-Eleven down to the Walgreens.
The shopping center could use some improvement
The shopping center, Rodi rd
The spot at Rodi and Lougeay. That building is ugly. It's not used. A garden would be beautiful
The untidiness of power lines across the municipality or finding alternatives for above ground power lines, or upkeep of roads and sidewalks (weeds, etc)
The vacant lots/property
The weeds along the roads of PH (universal road up and down) should be cut/ trimmed and plant more flowers. A beautification or art project at the intersection of Universal and Stotler (near the storage unit) is a location that could benefit
Theater in Shopping Center/ YMCA
There could be more art, flowers, beautifucation EVERYWHERE
There is a stretch of land on Rodi road across from NAPA auto that needs something new
There's a landscape island at Universal, Reiter and Thompson Run. This triangle used to be maintained by the DPW buck it somehow fell off the to do list.
Thompson Run at Old William Penn

Where the old School was on Jefferson Heights Rd. I believe was the Eastmont School would be great to have a youth Center for kids and teens with After School programs and entertainment like ping pong tables, a small library, game rooms and some trees with fire pits for families to sit enjoy and converse with neighbors
Wildwood street empty lots and enforcing homeowners to stay up-to-date on tree/lawn issues

yes
Yes , the shopping plaza on FRANKSTOWN Road (where lost n found pharmacy is)
Yes -an arts and history museum on Rodi Road
Yes and tear down old municipal building and put some cultural building there since you can't sell it
Yes on long road
Yes the frankstown Rd corridor is sad - its a main street but does not positively represent community
Yes! Most of Rodi and Frankstown Roads. Rodi is especially important as a gateway to the community
Yes, anywhere. Building murals etc
Yes, empty lot at Spring Grove and Frankstown
Yes, many places
Yes, the Penn Hills Plaza/shopping area. Fix the curbs, pot holes, plant trees/landscape and reface the plaza/signs as they are extremely outdated.
Yes. The field behind the municipal building could have an amphitheater
YES....put a 3rd lane on Rodi Road
Yes-Somewhere
