

## QUESTION 1: Vision & Goals

# What do you hope happens as a result of this work?

Think big. Think small.

Think tangible. Think aspirational.

Think your organization. Think community.

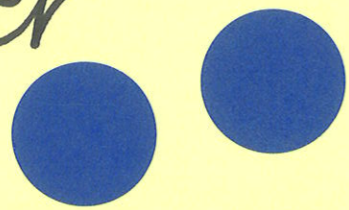

The Penn Hills Community Census May 25, 2022

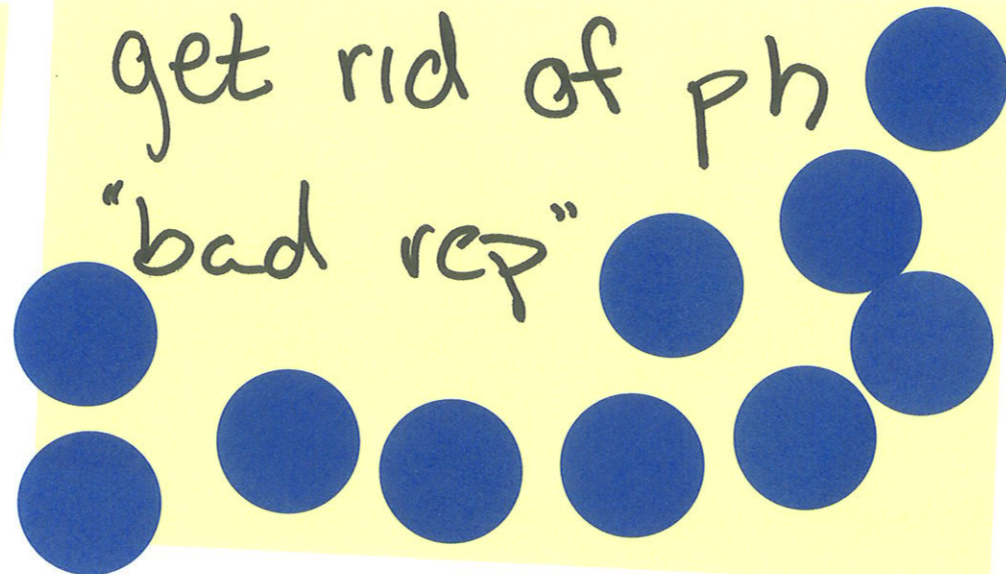

JACKSON/CLARK PARTNERS

Bring the Penn  
Hills Community  
together

get rid of ph  
"bad rep"

I hope that everything  
comes together now  
we want it to

bring the  
community together

more youth will  
become involved

that the pennhills  
community comes  
together as 1  
and looks/~~at~~  
feels  
Better

People feel safer  
to step outside  
their homes

We grow and come  
together ~ Levi

make community  
safer

The community comes  
closer together

people will feel more  
comfortable and safe  
in their environment,  
they will also meet  
a lot of new people  
by working with our  
community groups

# What will it take to make this a success?

Consider the strategies & tactics to best support our work together, build awareness, and maximize resident participation.

Informing  
people

consistency

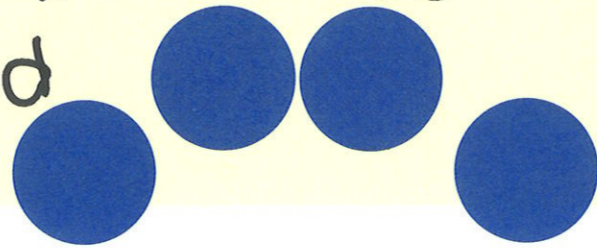

Lots of volunteers

getting more youth  
involved

Get people out of  
their comfort zones  
and get them to be  
involved

Easy access

time, lots of help,  
focus

asking for community  
help

We work hard in  
unity

~ Levi

get everyone  
involved

support from local businesses

Sharing thoughts  
& opinions

## QUESTION 3: Information for Good

# What do you want to learn from residents?

What specific topics and information do you want the Community Census to address?

The Penn Hills Community Census May 25, 2022

JACKSON/CLARK PARTNERS

To learn how to help them with their personal struggles.

I want to know their values & what is most important to them in this community.

do the residents feel safe in their community

I would like to know what extra curricular activities people in our community perform in. -Leri

being made aware of who's a sex offender

do they feel safe in their community and/or home

If they're financially stable

To gather the most common struggles for everyone and fix them

resources  
the community  
members want  
to see

things they  
feel are not benefitting  
our community

Do you know your  
neighbors?

## QUESTION 4: Shared Values

# What are the shared values that should guide our work?

What should be our core project commitments with the community?

The Penn Hills Community Census May 25, 2022

JACKSON/CLARK PARTNERS

lower the  
Violence  
and Crime  
Rate

lower violence  
and the amount  
of crimes committed  
\* create a more  
positive environment

listen to others  
Our students  
are safe and  
protected

make Penn Hills a more  
welcoming community  
so new residents will  
move in

lower crime rates  
and break-ins

mental health

trust & good  
communication

Lower  
Violence!

learn how to  
help with mental  
health

Honesty

Make it feel "homey"  
for everyone

Injustices for  
POC

Letting Residents speak  
how they feel  
~levi

Safety of  
the community

QUESTION 5: What Could YOU Do?

**If you think you'd like to  
be a part of our work,  
what could you do?**

Write your idea & your name on a Post-It for us to  
follow up
